

Focus C4

Trolleys

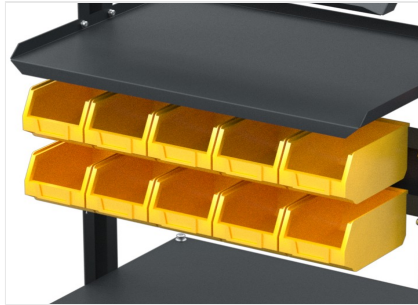

Focus C4 is a trolley for holding accessories, small hardware parts and tools for assembly stations.

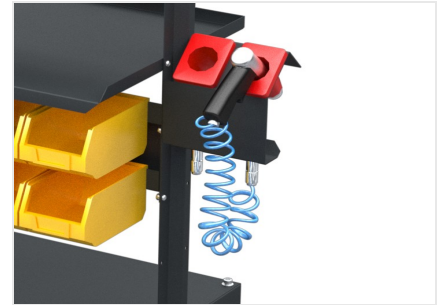

Pivoting wheels

Equipped with 4 pivoting wheels with brakes, they ensure a high degree of mobility and easy handling of the object. Locking the braking units allows their position to be fixed near different work areas.

Drawers

A series of convenient bins allow for the storage of small parts in a simple and orderly manner for easy identification of items.

Pneumatic system

Quick-connect tap that ensures complex air supply with ease.

Support surface with stand

The inclined support surface is equipped with an inclined stand that allows for the positioning of working bills.
